I am writing to you today about a constituent who wishes to file an inquiry with the Environmental Protection Agency regarding electrical power plants.

(b) (6) Patuxent Riverkeeper says (b) is responding to concerns raised by citizens in Brandywine, MD and assisting them in preparing and filing a civil rights complaint related to the proliferation of multiple electrical power plants being imposed in a predominantly African-American community without analysis of the potential adverse environmental health impacts on residents.

Attached you will find (b) (6) Privacy Release Form.

If you have any questions regarding this matter, please contact Katrina Owens in my district office at 301-516-7601. Please send all correspondence on the reference case to: 5001 Silver Hill Road, Suite 106, Suitland or fax to (301) 516- 7608, or by e-mail to katrina.owens@mail.house.gov.

I look forward in hearing from you.

Sincerely,

E
